In Loving Memory of Elder James Conley

ELDER JAMES CONLEY was born January 29, 1908. He was united in matrimony January 23, 1942 to Dora L. Sims. They worked together as a team and conducted many revivals and many souls were added to the Kingdom through their labour.

As they both went home together to receive their just reward, a crown of righteousness He shall give to all. May they sleep on and take their rest. We loved them, but God loved them best.

Another Soldier gone, to get a great reward;
He fought the fight, - he kept the faith,
And now he has gone home to God.
His soul has gone to God who giveth;
The earth will claim its own, His Body;
But he is shouting around the Throne
While we are left to mourn.
But some day we will meet again
All our loved ones who have gone before
Some day we will reach that happy land
Where parting will be no more.

In Loving Memory of Dora Lee Conley

MRS. DORA LEE CONLEY, passed this life, December 5, 1989. She was born in Keatchie, Louisiana, to Mr. Jack Sims and wife, Virginia. Sister Conley was saved at an early age, and filled with the Holy Ghost and Fire, in the Church of God in Christ; New Orleans and Greggs Street, Houston, Texas, June 11, 1930.

Elder Anderson, was pastor, and during this time a caucasian Evangelist was conducting a Soul Saving Revival; afterwhich Sister Conley's Aunt Rosa, came over an taken her to Elder Billie Johnson's Church of God in Christ, on Buck Street in Houston, Texas.

There where she received the full training of a Christian life, as her own mother brought her up in church from a child, and had given her the basics of Christian living; therefore after straying away for about three or four years from her mother's training she stopped by the church where a Revival was being conducted, and she said, "The Lord followed me", and when she said "Yes to the Lord" she was saved and filled with the Holy Ghost that night, and spoke in other tongues according to Acts 2:4b (other tongues).

On the twenty-third day of January, in the year of our Lord of 1942, she was united in Holy Matrimony with Brother James A.

(continued on back page)

Conley, in Houston, Texas. She was not blessed to bring forth their child; however Sister Conley, was very instrumental in helping to train their foster son, a cousin: Lawrence Green, Jr. God, blessed her to help pray out many spiritual childrens, being a faithful wife and a faithful Christian; our God exalted her to an Evangelist Missionary, in the State of Mexico, Mrs. Joan Johnson, our State Supervisor, one of the greatest women in the Brotherhood. Also in the State of Texas under the leadership of another great woman, Mrs. Polk.

Elder and Sister Conley, left Houston, and came to the State of California, August 22, 1947, and God blessed their labor and again God, exalted her under the leadership of one of the finest, kind, and understanding Supervisor of Women's work of California Northwest, also Asst. National Supervisor of Women's Dept., none other than Mrs. Mattie McGlothen, 412 Sanford Avenue, of Richmond, California.

Sister Conley, was chosen by her (MOM) for her Personal Secretary, State Secretary, District Missionary, National Evangelist. God, did all this through the leading of State Supv. Mrs. Mattie McGlothen, (MOM). Sister Conley, was afflicted.

As she so often would say when she would testify, "The race is not given to the swift nor the strong, but to he that endure unto the END." Sleep on Sister Conley, we love you, but God, love you best. This friend of our, LORD, leaves to mourn her loss: one aunt, Mrs. Willie Mae Harris of L.A., CA; four cousins of Las Vegas, Nevada; and other relatives and friends.

Easing our cares with a smile and song smoothing the paths that we travel along, always eager to help and cheer. Growing more precious year after year. Gladness belongs to somebody dear that was like Evangelist Conley.
